Big Brothers Big Sisters of Oshawa-Whitby (BBBSOW) has made a difference in the lives of young people for over 40 years by providing a friend where one is needed.

Participating in **Golf For Kids Sake** is a unique way for individuals and businesses to make a difference in the lives of many children within our community. You can help contribute to youth development initiatives while generating awareness and funds, which enable us to keep programs running in the Oshawa-Whitby area.

Research shows that Little Brothers and Sisters in our program do better in school, avoid drugs and alcohol, and feel better about themselves. Individuals like you can help bring a Big Brother or Sister to children who need one....Those heartfelt relationships not only change kids' lives, they have a positive ripple effect that directly contributes to stronger schools, better communities, and brighter futures.
